NETWORKING AND IOT ASSISTANT

DIVYA N

PROFESSIONAL SUMMARY

I am a **dedicated and ambitious 2nd-year B.Sc. Computer Science student**, driven by a passion for harnessing technology to craft innovative solutions. My commitment to continuous learning is exemplified by completing an **NPTEL course in IoT**, where I earned an **Elite certification with a 62% score**, showcasing my ability to grasp complex concepts and apply them effectively.

With a proactive mindset and a strong foundation in programming, I actively seek opportunities to stay ahead in the ever-evolving tech landscape through **webinars, boot camps, and self-driven projects**. I am eager to bring my enthusiasm, adaptability, and skills to dynamic teams and forward-thinking organizations, contributing meaningfully to cutting-edge projects.
